Tampa, Florida 33629

Owner of Easy-Spred® for Mortar, Grout and Plaster

January 1, 2012

To Whom It May Concern:

Peninsula Products, Inc. certifies the following:

Easy-Spred® will produce a mortar complying with the Property Specification requirements of ASTM C-270 "Mortar for Unit Masonry", for Type N, S, & M mortars when mixed with appropriate proportions of Portland cement (ASTM C-150) and masonry sand (ASTM C-144) as indicated on the bag.

Furthermore, Easy-Spred® is recognized as a suitable lime replacement in masonry mortars and complies with the International Building Code®, International Residential Code® and Uniform Building Code® as evidenced by ICC Evaluation Service, Inc. (ICC-ES) Report No. 2027. Easy-Spred® is also recognized as a suitable lime replacement by the following building code agencies:

- City of Los Angeles - Research Report #24375
- State of California - Title 24 (Product Acceptance #PA-016)

ICC-ES Report No. 2027 is available for inspection at the ICC-ES website ([www.icc-es.org](http://www.icc-es.org)).

Respectfully submitted,

Darby J. Meadowcroft, Vice President  
Peninsula Products, Inc.
